AUTOMATIC BREADSTICKS MACHINE SUPPLIER

Made to last. Italpan is the only automatic breadsticks machine supplier you will ever need. Durable and reliable, these machines will stand the test of time.

USER-FRIENDLY BREADSTICKS MACHINES

Designed with the end-user in mind these machines are simple to use. It has an adjustable press to ensure the desired thickness of each breadstick. The artisan can regulate the speed in order to prevent overstretching or the accumulation of the dough.

MODERN TECHNOLOGY

Dough can be cut with a manual electric control or by programming the timer so that very little intervention is needed by the artisan. This way, one can achieve an output of 50kg per hour. All surfaces which comes into contact with the dough are in stainless steel.
