## BAGUETTE MOULDER SUPPLIER

The baguette moulder is the particularly suitable machinery for production of baguette bread. Italpan supplies this machine in reduced weight and size, making it possible to be mounted on frames with castors, or can be comfortably placed on a shelf or workbench.

## EXPERTS IN BAGUETTE MOULDERS

Baguette moulder ensures that the quality of your pastry is it progressively smoothly moulds the dough to maximum length, usually 70cm. This machine is also fitted with two sheeting cylinders that are neatly covered with a non-toxic plastic material.

## CHARACTERISTICS OF OUR BAGUETTE MOULDERS

Version A of this machine from the Italian baguette moulder supplier has a fixed electric control and safety hopper that regulates CE to enhance user safety.
