## BAKERY BREAD SLICER MANUFACTURER

The preeminent bakery bread slicer manufacturer, Italpan, produces some of the best bakery machinery for slicing bread at the bakery. The company produces two models of this machinery, Model 420S and Model 520S.

### ITALPAN'S BREAD SLICERS

These bread slicers are endowed with features that assure you of quality for your pastry, reduced production time since they are faster, and efficiency in the whole bread slicing process.

### CHARACTERISTICS

These bread slicers produce bread in standard size slices in term of thickness and weight. These machines have a standard weight ranging from 130 kg to 145 kg per machine, each with an installed power of 0.75 kW.
