BAKERY MACHINERY SUPPLIER

Experience three decades of quality. Spanning three decades of business, Italtan has become synonymous with consistent quality. The owners, Rizzato Edoardo and Rizzato Luca, strive to ensure that client satisfaction remains their highest priority. This bakery machinery supplier has not lost its personal touch.

WIDE VARIETY OF MACHINERY

Italtan produces an array of machinery for various applications, including sieves for flour and bread-sticks machines. In particular, these machines are also used to produce Taralli, a Southern Italian bread.

RELIABLE AND DURABLE

This bakery machine supplier is renowned for their reliable machinery for both domestic and international markets. The final product is not only aesthetically pleasing, but durable and functional.
