BREAD GRINDER SUPPLIER

Italpan dominance as a bread grinder supplier has been highly attributed to the features of its products that include rugged, durable and reliable bread grinders whose safety to the user is assured. The grinders are made of a stainless steel inox with the sifter mouths made of aluminium casting.

CHOOSE YOUR SIZE

Grinding units for these grinders allows selection of two distinct granulated sizes. Safety is ensured by the three fixed covers within the mixing tank. Motor power and flow output are technically regulated to ensure efficiency in performance.

BREAD MILL MAC

This leading bread grinder supplier is committed to designing the Bread Mill MAC model of bread grinders whose performance is outstanding.
