COMMERCIAL BAKERY EQUIPMENT SUPPLIER

Italpan is a leading commercial supplier established in 1988 with their main sector of engagement being the design of artisan bakery machinery. Our bakery machinery is made of quality material that include aluminium and steel to guarantee durability and low maintenance costs.

A WIDE RANGE OF BAKERY EQUIPMENT

Some of the main stocked bakery machinery include bread grinders and slicers, sheeters, moulders and grissini machines. The design of these products is done by professionals who ensure features such as efficiency, durability, and high performance is taken care of effectively. Our products are also technically designed to conserve power consumption, increase efficiency and safety levels to users.

ITALPAN'S GUARANTEE

Purchasing bakery machinery from this leading commercial bakery equipment supplier offers you the opportunity to improve the standards of your baking.
