## INDUSTRIAL FLOUR SIFTER SUPPLIER

A flour sieve machine is a must have for pastry and bakery shops. Flour Sieve machines ensure that the flour is free from all sorts of impurities and unwanted particles. We are an industrial flour sifter supplier for large, small and medium bakery and pastry shops.

### THE FLOUR SIEVE SF-100

This machine can oxygen the flavour and eliminate impurities. The floor level can be modified: the basic model is 104cm. Flour can be inspected on both sides.

### TECHNICAL DETAILS

This machine weighs 150kg and has 0.50HP: it also has a sifting capacity of 100kg every five minutes.
