PASTRY DOUGH SHEETER

When you work in the breadmaking industry, you should always use the best equipment to help you earn a place in this competitive industry, since breadmaking equipment plays a big role in the quality of your product. Bakery machines vary from sieves, mixers, moulders, slicers, warmers, to sheeters.

SUPPLIERS OF SHEETERS FOR BAKERIES

A pastry dough sheeter is vital in the baking industry. At Italpan we provide a pastry dough sheeter that works with all kinds of dough, no matter the thickness. It is very convenient for daily cleaning, because the scrapers can be removed easily.
